

Application for registration of pleasure craft under 24 metres

With this form you request a first registration or change in a registration for a recreational vessel under 24 metres in length that is not used on a commercial basis.

Fill out this form and send it with the required attachments to the Kadaster as described on the web page [Aanvragen teboekstelling schip](#) (Applying for registration of a ship, only in Dutch).

If the owner does not live or does not have his registered office in the Netherlands, this form must also be signed by the representative. Only fully and correctly completed forms with all required attachments will be processed.
